

Red Blend: This inaugural Red Blend, named after our son, Brody, was inspired by his love of spinning in circles, much like our decision whether or not to do a blend or separate varietally labeled wines. Dark Red color. Scents of blueberry, blackberry, cranberry, and boysenberry are the most prominent aromas. Then elements of sage, cherry, vanilla, and wet stone comprise of the secondary aromas. Upon taste, flavors of blueberry, cherry, and black pepper are framed around an intense minerality. This Red Blend has expansive, lush tannin with a long lingering finish. Drink now for up to 6 to 8 years.
